

**Award of Service Excellence
(AOSE) Award**

**Nomination
Guide**

This guide provides an overview of what to expect when submitting a nomination for the Award of Service Excellence.

Helpful Hints:

- **The submission deadline is February 1, 2022.**
- Gather all information needed before beginning the electronic submission process.
- Nomination application can be accessed at: <https://cmsa.org/awards/aose/>
- Reach out to those writing nomination letters with ample time for them to return before your submission deadline.
 - **Professional References and Letters of Recommendation** – In addition to your Nomination letter, you will need to submit three (3) letters from professional individuals who can confirm the basis for this individual to be submitted for this award nomination.
 - *(Share this information with those you are asking to write letters):*
Recommendation Letters must include how the nominee's contributions are impacted in the areas below, including direct patient care.
 - Contributions the nominee has made to advance case management.
 - How the nominee exemplifies case management as defined in CMSA's *2016 Standards of Practice for Case Management*
 - Information on how nominee has directly impacted patient lives through the nominee's direct management of their cases.
 - Demonstrations of service excellence the nominee has incorporated with clients and the case management community on a daily frontline basis.
 - How nominee has incorporated innovation, creativity and resourcefulness in their practice.
 - Showcase nominee serving others through community service by utilizing their CM skills in a non-practice setting.
- If submitting a CMOY Nomination in addition to a AOSE Nomination, each will require a separate set of letters related to the type of award and criteria.
- The Committee will only score on the responses you provide for each application question. They will not search the CV or letters for the information on those specific questions.
- CMSA will contact the Award Recipient and all nominees once the final results are made.
